

# THE INTERNATIONAL AQUATIC PLANTS LAYOUT CONTEST 2006

# THE INTERNATIONAL AQUATIC PLANTS LAYOUT CONTEST 2006

## ► CLOSING DATE FOR APPLICATION: APRIL 30, 2006

AQUA DESIGN AMANO Co., Ltd. organizes International Aquatic Plants Layout Contest 2006. In 2005 contest, total 894 works were sent from 33 countries, and for the first time ever, number of applicants from outside Japan exceeded the Japanese applicants. We look forward to see many wonderful layouts at 2006 contest!

### Closing Date for application

The application must reach us no later than April 30, 2006.

### Subject

Only freshwater planted aquarium is the subject of the contest. Anyone interested in the planted aquarium can apply for the contest.

### Entry

Take pictures of the planted aquarium from the front side, and print the picture. The photographs are not necessary taken by the applicant him/herself. Applicants can send as many layout pictures as possible, but one photograph for each layout. You can take photographs with color reversal film, or color negative film or by digital camera. The copyright of all images will belong to Aqua Design Amano Co., Ltd. by submitting the slide or the film to International Aquatic Plants Layout Contest. The applied film, print, and the media will not be returned to the applicant after the contest. No entry fee is necessary.

### Color Reversal Film

- You can use any film size. (35mm, medium or large format)
- Please put the film in a mount, and write your name on the mount.
- Please send the mounted film and application form together.

### Color negative Film

- You can use any film size. (35mm, medium or large format)
- Please put a mark on the negative film cover so that which frame is your layout.
- Please make sure to send 2L size (127x178mm) print for the layout confirmation. Please write your name on the back of the print.
- Please send the film and application form together.

### Digital Camera data

- Please use 3.0 megapixels digital camera and take a photograph with high resolution mode.
- Please save the image in JPEG or TIFF format.
- Do not make any image processing such as trimming or retouch.
- Save the image in CD-R or MO disk. (We cannot accept the other media such as floppy disk. We also cannot accept the data transfer by e-mail.)

- Please make sure to send professionally printed 2L size (127x178mm) print for the layout confirmation. We cannot accept the print printed by home-use Color Laser Printer or Ink Jet Printer. Please write your name on the back of the print.
- Please send the media, the print, and the application form together.
